### **RIDGEPOINTE HOMEOWNERS ASSOCIATION, INC.**

Section 1. Membership. Every Owner of a Lot shall be a member of the Association. Membership shall be appurtenant to and shall not be separated from ownership of any Lot. Every member shall have the right at all reasonable times during business hours to inspect the books of the Association.

Section 2. Funding. Subject to the terms of this Article, each Owner of any Lot by acceptance of a deed therefore whether or not it shall be so expressed in such deed, covenants and agrees to pay to the Association: (1) annual assessment or charges, and (2) special assessments for capital improvements, such assessments to be established and collected as hereinafter provided. Such assessments will remain effective for the full term (and extended term, if applicable) of this Declaration. The annual and special assessments, together with interest, costs, and reasonable attorney’s fees, shall be a charge on the land and shall be a continuing lien upon the Lot against which each such assessment is made. Each such assessment, together with interest, costs and reasonable attorney’s fees shall also be the personal obligation of the person who was the Owner of such Lot at the time when the assessment fell due. The personal obligation for delinquent assessments shall not pass to the successors in title of such Owner unless expressly assumed by them.

Section 3. Assessments.

(a) Units Owned by Members. Subject to the term of this Article, each Lot is hereby subject to an initial maximum assessment of \$20 per month or \$240 per annum (until such assessment shall be increased in the By-Laws of the Association), for the purpose of creating a fund to be designated and known as the "operating account" Assessments will be paid by the Owner or Owners of each Lot in advance in semi-annual installments. The rate at which each Lot will be assessed, will be determined by the Board of Directors of the Association at least thirty (30) days in advance of each affected assessment period. Said rate may be adjusted from time to time by the Board of Directors as the needs of the Association may, in the judgment of the Directors, require. The assessment for each Lot shall be uniform. The Association shall, upon written demand and for a reasonable charge, furnish a certificate signed by an officer of the Association setting forth whether or not the assessment has been paid for the assessment period.

(b) Purpose of Operating Account The Association shall establish an operating account composed of Owners' annual assessments and shall use the proceeds of such fund in providing for normal, recurring maintenance charges for the Common Maintenance Areas for the use and benefit of all members of the Association. Such uses and benefits to be provided by the Association may include, by way of clarification and not limitation, any and all of the following: normal, recurring maintenance of the Common Maintenance Areas (including, but not limited to, mowing, edging, watering, clipping, sweeping, pruning, raking, and otherwise caring for existing landscaping) and the improvements to such Common Maintenance Areas, such as Sprinkler systems, and private streets, if any, provided the Association shall have no obligation (except as expressly provided hereinafter) to make capital improvements to the Common Maintenance Areas; payment of all legal and other expenses incurred in connection with the enforcement of all recorded covenants, restrictions and conditions affecting the property to which the operating account applies; payment of all reasonable and necessary expenses in connection with the collection and administration of the assessment; employment of policemen and watchmen, if any, caring for vacant lots; and doing any other thing or things necessary or desirable in the opinion of the Board of Directors of the Association to keep Property neat and in good order, or which is considered of general benefit to the Owners or occupants of the Property, it being understood that the judgment of the Board of Directors in the expenditure of said funds and the determination of what constitutes normal, recurring maintenance shall be final and conclusive so long as such judgment is exercised in good faith.

(c) Special Assessment for Nonrecurring Maintenance and Capital Improvements.

In addition to the annual assessments authorized above, the Association may levy special assessments as follows:

(i) In any assessment year, a special assessment applicable to that year only for the purpose of defraying, in whole or in part, the cost of any nonrecurring maintenance, or the acquisition, construction, reconstruction, repair or replacement of a capital improvement upon any Common Maintenance Area, including fixtures and personal property related thereto may be assessed. The Association shall not commingle the proceeds of such special assessment

with the operating account. Such proceeds shall be used solely and exclusively to fund the non-recurring maintenance or improvements in question.

(d) Exempt Property. All properties dedicated to and accepted by a local public authority; and all property designated as Common Area; and all properties owned by a charitable or non-profit organization are exempt from the assessment created herein. However, no land or improvements devoted to dwelling use shall be exempt from said assessments.

Section 4. Non-payment of Assessments: Remedies of the Association. Any assessment not paid within ten (10) days after the due date shall bear interest from the due date at the highest non-usurious rate of interest allowed by Texas law or 18% per annum, whichever is less. The Association shall have the authority to impose late charges to compensate for the administrative and processing costs of late payments on such terms as it may establish by duly adopted resolutions and the Association may bring an action at law against the Owner personally obligated to pay the same, or foreclose the lien retained herein against the property. No Owner may waive or otherwise escape liability for the assessments provided for herein by non-use of the Common Maintenance Area or abandonment of his property.

Section 5. Subordinated Lien to Secure Payment. To secure the payment of the assessment established hereby and to be levied on individual Lots as above provided, there is hereby reserved a lien for the benefit of the Association, said lien to be enforceable through appropriate proceedings at law or in equity by such beneficiary; provided, however, that each such lien shall be specifically made secondary, subordinate and inferior to all liens, present and future, given, granted, and created by or at the insistence and request of the Owner of any such Lot to secure the payment of monies advanced or to be advanced on account of the purchase price and/or the improvement of any such Lot; and further provided that as a condition precedent to any proceeding to enforce such lien upon any Lot upon which there is an outstanding valid and subsisting first mortgage lien, said beneficiary shall give the holder of such first mortgage sixty (60) days written notice of such proposed action, such notice, which shall be sent to the nearest office of the lienholder by prepaid U.S. registered mail, to contain the statement of the delinquent maintenance charges upon which the proposed action is based. Upon the request of any such first mortgage lienholder, and beneficiary shall acknowledge in writing its obligation to give the foregoing notice with respect to the particular property covered by such first mortgage lien to holder thereof. Sale or transfer of a Lot shall not affect the assessment lien. However, the sale or transfer of any Lot pursuant to mortgage foreclosure shall extinguish the lien of such assessment as to payments which became due prior to such sale or transfer. No sale, foreclosure or transfer shall relieve such Lot from liability for any assessments thereafter becoming due or from the lien thereof. The Association shall have the right to file notices of liens in favor of such Association in the Real Property Records of Denton County, Texas.

Section 6. Voting Rights. The Association shall have one class of voting membership:

(a) Members shall be all Owners and shall be entitled to one (1) vote for each Lot owned. When more than one person holds an interest in any Lot, all such persons shall be members, but the vote for such Lot shall be exercised as they among themselves determine, and in no event shall more than one (1) vote be cast with respect to any Lot.

(b) Suspension. All voting rights of an Owner shall be suspended during any period in which such Owner is delinquent in the payment of any assessment duly established pursuant to this Article or is otherwise in default hereunder or under the By-Laws or Rules and Regulations of the Association and such suspension shall apply to the proxy authority of the Voting Representative, if any.

Section 7. Notice and Quorum. Except as otherwise provided in the Articles of Incorporation, the Declaration, or these By-Laws, written notice of any meeting called for the purpose of taking any action authorized herein shall be mailed to all members, or delivered to their residences, not less than thirty (30) days nor more than sixty (60) days in advance of the meeting. Such notice shall specify the place, day, and hour of the meeting and, in the case of a special meeting, the purpose of the meeting. The presence of members or of proxies entitled to cast twenty-five percent (25%) of the votes of the membership shall constitute a quorum. If the required quorum is not present at any meeting, another meeting may be called, subject to the notice requirement set forth above. No such meeting shall be held more than sixty (60) days following the preceding meeting. In the event that voters constituting the required quorum are not present in person or by proxy, at the second meeting, members not present may give their written consent to the action taken thereat, in the following manner: The secretary shall ensure that the minutes of said meeting, must be approved, and signed, by the number of members equal to that of a quorum.
